Declaration of operational compliance between Tigo's TS4 Module Platform and OutBack Power's Charge Controllers.

Tigo and OutBack are pleased to announce that the following charge controllers from OutBack:

FLEXmax 100 AFCI

FLEXmax 100

can be used successfully in combination with the following TS4 product families from Tigo:

TS4-F

TS4-A-F

Tigo and OutBack have conducted testing and validated the effective performance of the systems together within standard testing environments. Warranties from OutBack and Tigo will remain valid if the design, installation, and operation requirements are followed for each product.

Contact Tigo Support with any questions regarding Tigo's TS4 Platform equipment: support@tigoenergy.com or (408)-402-0802.
